### GENERAL RULES AND PROVISIONS

The tournament will be held rain or shine. It is the sole responsibility of the registrant/captain of all entered boats to determine if weather and sea conditions are safe to fish. The Hampton Bays Fire Department, its members and tournament sponsors assume no responsibility or liability for any boats entered or individuals participating in the tournament. If weather conditions prohibit any or all boats from fishing and, as a result, an insufficient number of fish are weighed in to account for any or all of the prizes, any prizes unaccounted for will be awarded by drawing at the Awards Ceremony. Likewise, if poor fishing results in an insufficient number of fish being weighed-in to account for any or all of the prizes, and prizes unaccounted for will be awarded by drawing at the Awards Ceremony. All entries will receive a boat number, a door prize stub, dinner/ drink bracelets for all paid participants on their boat at captains meeting. The entry fee must be paid in full at the Captain's Meeting. If payment is not made in full, your boat and its participants will not be allowed to participate in the tournament. Additionally, once payment is made, there will be absolutely No Refunds.

Starting at 7AM on Saturday, July 9<sup>th</sup>, boats must check in with the Committee Boat at buoy number 8, located just east of the Ponquogue Bridge. To check in, vessels must display their boat while driving past the Committee Boat. At this time you will be cleared to begin fishing. Any Boat that cannot make the drive by check it, too keep things fair, we will be doing an in-person check-in at the Fire House at 6:15am. Captains can send anyone from their boat to come to the firehouse, check on their boat, and then proceed to where they need to go. Anyone that is getting a late start the committee boat will be out on the water, just radio in to the boat when you get out on the water.

Participants must abide by the NYSDEC fluke regulations for this tournament. If any fluke brought back to the weigh station is under minimum size you will be automatically disqualified and your weigh-in will not count.

After weighing each fish, the weigh master may mark it by cutting a V-notch in the tail fin. Fluke presented for weigh-in with a freshly cut V-notch in the tail will be denied entry. Once a fish is weighed you cannot weigh another fish in at a later time. All fish must be caught during the hours of the tournament by means of hook and line and be presented as fresh, not frozen.

All fluke presented to the weigh master will be recorded in pounds and tenths of pounds and measured for length to the nearest 1/8 of an inch. The time the fish are presented for weigh-in will be recorded in hours and minutes. The weigh master will also record the name and hometown of the individual from your team who caught the fish weighed-in for press release on the port log.

If two fish tie by weight for any of the "Port" prizes, the longer fish will be declared the winner. If the two fish are the same weight and length, the fish presented for weigh-in at the earliest time will be declared the winner.

The decision of the weigh master is final. If there is an unresolved dispute, The Hampton Bays Fire Department Fluke Committee will make a final binding decision.
